## “Please Protect Life because...” campaign

Californians for Life invites you to submit essays, drawings, videos, and photos answering the prompt: “**Please Protect Life because...**” so that we can deliver your message to our legislators on January 22nd, 2015, during the Californians for Life Advocacy Day, in commemoration of the 42nd year of Roe v Wade. You can participate in three ways:

**1. Written responses:** K-12 students and adults are invited to answer “**Please Protect Life because...**” in an age-appropriate manner, whether it be a kindergartener's drawing of his baby brother, a high school student's two-page persuasive essay, or a family's poignant adoption story. Please send your entries by January 15th, so that we can deliver them to the capitol! For more information, see [CaliforniansForLife.org](http://CaliforniansForLife.org), call 916-955-1577 or email [info@californiansforlife.org](mailto:info@californiansforlife.org)

**2. Video responses:** Citizens throughout our state are invited to make a short youtube video to answer the prompt “**Please Protect Life because...**” We will feature the very best videos on

our CaliforniansForLife.org website. This could be a post-abortive woman telling her story or it could be a class of 3rd graders simply saying "Please Protect Life because LIFE IS BEAUTIFUL!" These videos will be used to create a Californians for Life promotional video. It is simple- just make a video, upload your video to youtube and then send the link to [info@californiansforlife.org](mailto:info@californiansforlife.org)

**3. Photo responses:** Citizens throughout our state are invited to take a photo of themselves in their own community, so that the photo background conveys their environment/geographic location in our great state, holding a sign/poster/chalkboard/piece of paper that completes the prompt "**Please Protect Life because....**". These photos will be used on our website and in promotional materials to convey the very powerful message that **California is pro-life!** These could be school kids in urban Los Angeles, a pregnancy clinic staff in San Diego, friends at Disneyland, pro-lifers camping in Yosemite, a family holding a new baby, a hiker atop Mount Shasta, pro-lifers at the beach, a pro-lifer on a Harley motorcycle with the Golden Gate bridge in the background, or a farm family in the central valley. This effort will be on-going beyond January. Simply email all "**Please Protect Life because...**" photos to [info@californiansforlife.org](mailto:info@californiansforlife.org)
